

BREATHING FRESH, CLEAN AIR

helps keep me and my lungs
healthy and strong.

If you smell things like smoke or chemicals, your nose is telling you the air is not clean for your lungs. If this happens, go to where the air is fresh and clean.

Funding for this project was provided by the Missouri Department of Health and Senior Services, through the Health Disparities Program Office, contract #DH230052264. This project is supported by the Centers for Disease Control and Prevention of the U.S. Department of Health and Human Services (HHS) as part of a financial assistance award totaling \$35,569,951 with 100 percent funded by CDC/HHS. The contents are those of the author(s) and do not necessarily represent the official view of, nor an endorsement, by CDC/HHS, or the U.S. Government.
