

GERMS ARE ALL AROUND ME.

Some germs help keep me healthy,
but others can make me sick.

Germs can get on us when we touch dirty things or
are around someone who is sick. Keeping
our hands, mouth, and body clean
can help us stay strong.

Funding for this project was provided by the Missouri Department of Health and Senior Services, through the Health Disparities Program Office, contract #DH230052264. This project is supported by the Centers for Disease Control and Prevention of the U.S. Department of Health and Human Services (HHS) as part of a financial assistance award totaling \$35,569,951 with 100 percent funded by CDC/HHS. The contents are those of the author(s) and do not necessarily represent the official view of, nor an endorsement, by CDC/HHS, or the U.S. Government.
